IB Updates
We have been studying human discoveries for our unit “How the World Works,” and this month we will explore how and why matter changes through science experiments!

The central idea of our unit: “Humans use scientific principles to transform their world.”

Lines of Inquiry:
Line of Inquiry 1: Human Discoveries
Line of Inquiry 2: How and Why Matter Changes
Line of Inquiry 3: How do humans use/apply their understanding of scientific knowledge

Math
Math will be incorporated into our theme “How the World Works.” In Unit 1 we will be studying Decimal Operations.
