

June 2022

An International Baccalaureate World School

MONTHLY PUBLICATION

### *Our Philosophy*

*Woodmoor Elementary aims to develop inquiring, knowledgeable, and caring young people who are active lifelong learners seeking to create a better more peaceful world.*

Greetings Woodmoor Families,

We did it! The end of the school year is upon us and our topsy-turvy weather has finally turned toward warmer days. This month, students will wrap up their final Unit of Inquiry, challenge each other during field day, and engage in farewell activities with their teachers and classmates. Students have worked so hard all year to meet the demands and expectations of the learning standards for their grade level and I'm in awe of their growth! It's especially gratifying to see our kindergarteners who started the year identifying sounds to now, reading at or above grade level.

While we say good-bye to this year, we are well on the way to finalizing plans for next school year. The first day of school for the 22-23 is Monday, August 29. Over the summer, you will receive updated information which will include your child's homeroom for next year and other pertinent information. Please take time to review all the documents included in this welcome back packet as it will have updated policies and procedures that will support you with a successful start of the school year. To help with your planning, the 22-23 BCPS calendar is published on the district's website at [www.bcps.org](http://www.bcps.org) under Calendar.

Over the summer, it is important to continue to practice skills to help maintain the growth that was made over the course of the year. Each student in grades Preschool to Grade 4 will receive a summer workbook additionally, students will bring home their BCPS device to complete lessons on Raz-Plus and First in Math. Both, the Summer Brain Quest workbook and the online technology games, are designed to provide students with activities and learning experiences to help keep the learning going over the summer months. It is crucial that each student completes all the pages from the workbook and makes strides to spend an hour each week on Raz-Plus and another hour on First in Math. Kindly return the completed book in the fall. We will send you notices and reminders throughout the summer to keep the learning going! Thank you for your continued support. Happy Summer!

Your Partner in Education,

*Franchesca O. Brown*

## Message from the School Nurse

Hello families,

Summer is just around the corner. Please make contact with your child's pediatrician to ensure your child is up to date on their vaccines. Woodlawn Health Center is booking appointments as well throughout the summer for those students who do not have health insurance or a current provider. They can be reached at 410-887-1332.

## Message from the School Counselor Ms. Martin

Dear Parents and Guardians,

As part of our School Counseling Program, your child's class had the opportunity to engage in several counseling lessons throughout the school year. The lesson topics explored resilience, bullying, relationship skills, personal safety, character, celebrating differences, mindfulness, coping strategies and careers.

It is our hope that the core curriculum counseling lessons helped to promote the social emotional, academic, and career development of our students. We encourage, throughout the summer, you continue to engage your child in these important conversations. Below are great resources you can utilize to continue to support your child's social emotional, academic and career success!

# EXPLORE STEM WITH SYLVAN!

Woodmoor  
Camp!

June 20th - 24th

8:30-12:30

Contact:

Mr. Penn

([bpenn@bcps.org](mailto:bpenn@bcps.org))

## Spark a NEW interest in STEM

Woodmoor is proud to offer our students Sylvan STEM programs at no cost! Join our fun, hands-on classes that will get your child excited about the world around them. Get ready to inspire an early love for STEM!

Sylvan's Engineering program have creative challenges that inspire kids to think like real engineers. Imaginations soar with our cool, theme-based programs that have kids creating cool machines and designing super structures.

Engaging, hands-on projects using K'NEX. Collaborating and experimenting with other kids in friendly competitions. Experimenting and problem solving by building, testing, and redesigning. Build confidence with STEM. Your child can expect a small class size and personal attention.

Our 1-week STEM Camp starts on Monday June 20th starting at 8:30am.

To enroll, contact Mr. Penn at [bpenn@bcps.org](mailto:bpenn@bcps.org) or call (443) 809-1318.

The fun begins  
June 20<sup>th</sup> – June 24<sup>th</sup>  
8:30 AM – 12:30 PM  
No Bus Transportation

Breakfast & Lunch available  
Kindergarten – 5<sup>th</sup> grade

Enroll your student(s) now!

GET AN EDGE!

## Descubra un NUEVO interés en STEM

Woodmoor está orgulloso de ofrecer a nuestros estudiantes programas de STEM con Sylvan Learning sin costo alguno! Únete a nuestras clases de diversión y práctica que harán que su hijo(a) se emocione por el mundo que los rodea. ¡Inspiremos fascinación orientada a el mundo de STEM!

El programa de Ingeniería de Sylvan tiene retos creativos que inspiran a los niños a pensar como ingenieros reales. Las imaginaciones se desarrollan con nuestros programas temáticos de construcción de maquinarias y diseño de estructuras.

Proyectos interesantes manuales con K'NEX. Colaboración y experimentación con otros alumnos en competencias y demostraciones. Experimentación y solución de problemas mediante la construcción, pruebas y rediseño. Crear confianza y interés por las disciplinas de STEM. Su hijo(a) participara en pequeños donde se le dará mayor atención personal.

## La Diversión Comienza

Nuestro campamento  
STEM de 1 semana  
comienza el lunes 20 de  
junio a partir de las 8:30  
am. A 12:30 PM

No habrá transporte escolar

Para inscripción favor de  
contactar a Brendan Penn  
al [BPenn@BCPS.org](mailto:BPenn@BCPS.org) o  
llame al Tel. 443.809.1318.
